### Programming Packages

Bulk Programming doesn't have to mean bulky rates. NationSat slims Cable down to size and comfortably fits you into a leaner, better looking TV Entertainment Solution. It's not just one size fits all either. Activate some or all the channels within a programming package. All TV's receive the same lineup. Billing is based on the number of TV's in resident rooms. Pricing Subject to change.

#### Step 1 - Choose your local channels

\$41.99 per month for the entire facility
